

# WEST BERKSHIRE EST. 1998 BREWERY

## Brewing and Packaging Operative

An exciting opportunity has arisen to join our exciting and expanding Berkshire based brewery. The company is growing and we need Brewing & Packaging Operatives to keep moving forward and help us along the way.

### Who are we?

At West Berkshire Brewery we have the people, skills, energy and commitment to do great things. We are an ambitious team that loves what we do – creating a fantastic variety of beer styles and flavours that our customers enjoy and keep coming back to. Whether those are classic, modern, mainstream or quirky, the common thread is quality.

### Working Hours

Monday to Friday, 24/5 operation with three shifts. Shifts work 6am-3pm, 2pm-11pm and 10pm-7am

### The Brewing and Packaging Operative Role:

- Brewing and packing of beers to WBB standards
- Maintain inventory and all paperwork.
- Operating packaging equipment.
- pH analysis and recording.
- CO2 adjustments.
- Recording all data appropriately to production sheets, databases and business software.
- Ensure cleanliness of all equipment to maintain beer quality.
- Work safely within tight spaces and with various cleaning / sterilisation chemicals.

### The Successful Brewing and Packaging Operative:

- Brewing/Packaging Qualifications (Training offered)
- Brewing/Packaging experience (preferable)
- Work and communicate well with staff and customers
- Competent with Microsoft package
- Positive attitude
- Hardworking, reliable and dedicated
- Physically capable of lifting heavy weights

### Salary and Benefits

- Training and development, supporting your individual career pathway
- Competitive salary
- Attractive holiday allowance
- Product allowance and discounted food in the taproom and shop
- A great place to come to work every day, a beautiful brewery in the Berkshire countryside
